---

Please join your BCLTA Board at the upcoming BC Libraries Reception, to be held in conjunction with the 2008 Union of BC Municipalities Convention in Penticton this September. The reception is an annual event, co-hosted with the BC Library Association and the Association of BC Public Library Directors, and attended by local government elected officials, provincial ministers and representatives from the public library sector.

The reception will be held on **Thursday, September 25 from 4:30 to 6:30 pm** in Salon D of the Penticton Lakeside Resort, and the theme for 2008 is:

*BC Libraries: Looking to the Future – Building on the Past*

Typically over 300 Mayors, Councillors and Regional Representatives from around the province attend this reception, making it an excellent opportunity to mix with local government representatives in an informal social environment and celebrate public library service in BC.

Please see the attached invitation for a map and further details about the reception. The invite will be included in the registration packages of all UBCM delegates, so even if you cannot attend in person, we encourage you to promote the event among your local government representatives attending UBCM.

This is a very popular reception and a great event to keep libraries high on the agenda at the local government level.

An RSVP is not required. We hope to see you there.
