Participants are introduced to the provincial context for public library leadership, including legislation and services, community advocacy, current issues and strategies for success. The program is driven by a team of regional trainers who deliver sessions in all areas of the province.

TOP is offered on a cost-recovery basis at \$175/participant, or \$150/participant for groups of at least seven people. BCLTA members are encouraged to connect with neighbouring library boards to arrange joint sessions at significant cost savings.
