BC Library Trustees' Association Board Personnel Update

At the Board's first business meeting of the 2006/07 year, Shannon Daub, trustee from Vancouver Public Library, was re-appointed as Vice-President of BCLTA.

And, at the Canadian Library Association (CLA) conference in Ottawa in June Lawrence Lavender, who currently serves as President of BCLTA, was elected to the position of Vice-President/President-Elect of the Canadian Library Trustees' Association. This new responsibility for Lawrence will benefit BCLTA by keeping us well aware of other trustee concerns and successes around the country, and it will ensure that our organization continues to be an active advocate on national issues.

Contact information for Shannon Daub, Lawrence Lavender and the full Executive of BCLTA can be found on our website at www.bclta.org.

Other recent news:

Also at the CLA conference in Ottawa, we learned that the Cranbrook Friends of the Library were awarded the 2005 Random House "Friends of the Year" award for their exceptional activities to enhance library service in that community. The projects undertaken by this group included a job creation project, establishing a teen room, producing new signage in the library, as well as various successful fundraising initiatives. Congratulations to this hard working group of library supporters.
