Library History Information Request

Attention Library Board Chairs/BCLTA Liaisons:

The Smithers Public Library would appreciate any information BCLTA members may be able to provide on **library history projects**.

If you have recently completed a history of your library, information such as (but not limited to!) the following would be much appreciated:

- What type of project did you undertake (e.g., book, DVD, etc.)?
- How much did the project cost?
- Did you apply for/receive any grants to undertake the history?
- Did you hire a consultant or did library staff/board members complete the project?

All of your experience and advice on the topic of library history projects is most welcome! Please contact Lorraine Doiron of the Smithers Public Library Board at gradoir@telus.net; and please also CC your responses to BCLTA's Executive Director, Errin Morrison, at execdirector@bclta.org so that a file can be set up on this topic for the future reference of BCLTA members.
