## **New Education Program for Board Chairs**

As you know from my message to all trustees, Ken Haycock will be working to revise our materials and training program. We plan to introduce a program specifically for Board chairs at the Conference in April. As part of the development of this program, we would like to further delineate the responsibilities of chairs compared to directors and the BCLTA. Please provide the necessary time for interviews should you be contacted. Again, should you not be contacted yet wish to provide your input feel free to send your thoughts to Ken at [ken@kenhaycock.com](mailto:ken@kenhaycock.com).

We truly appreciate your cooperation and support.

Maureen Black  
Executive Director, BCLTA
