BC Libraries Reception at UBCM Convention

BULLETIN TEXT

Attention Library Board Chairs/BCLTA Liaisons:

The date, time and location of this year's BC Libraries Reception at the Union of BC Municipalities Convention has been changed to the following:

**BC Libraries Reception @ UBCM
5:00-7:00 pm, Wednesday, September 30, 2009
Room #1, Vancouver Convention and Exhibition Centre**

The reception is an annual event, jointly hosted by BCLTA, BCLA and ABCPLD to honour the significant local government contribution to BC's public libraries. Please consider joining us if you will be in the Vancouver area at this time – all trustees are welcome and encouraged to attend.

Additionally, please send us your **library images/captions/quotes** for the scrolling slideshow to be displayed during the reception. This year's theme is *BC Libraries: Champions of Literacy and Learning*. Images of awards ceremonies, library programs in action, people engaged in library activities, etc. are most welcome – as are brief quotes conveying the centrality and importance of the library to literacy and learning, or communicating the inspirational nature of the library. **Please send all submissions to Mandy Davies at admin@bclta.org by September 15.**
